

INAUGURATION OF THE ADA MOORE SCHOLARSHIP

The late Ada Moore was one of many Antiguan domestic workers who arrived in Canada in 1959 and spent her first year in Calgary. She later moved to Montreal, contacted other Antiguan who were living here and some years later in 1970, was one of the founders of the Antigua & Barbuda Association of which Ada Moore was a founder.

Over the years, Miss More was quite vocal in matters related to the Association as well as Antigua and Barbuda. Her continuous service was priceless to our community. During her service as a member of the Executive, we recall her laughter and the sense of humour with which she often summoned us to action.

Miss Moore was dedicated, hardworking and always saw the glass as half full. As a founding member and pillar of the Association, in 1997, Miss Moore was made a lifetime Honourary member for her contributions.

For this exemplary volunteer service to Antigua and Barbuda, a scholarship was inaugurated in her name and is awarded each year to students of Antiguan and Barbudan parentage, with high academic achievement who plan to pursue programs at the college level.

Since 2015, scholarship is awarded to students of Antiguan and Barbudan parentage with high academic achievement, who intend to pursue fulltime programs at the college level.

Since 2022, if there is no bursary recipient of Antiguan heritage, one bursary is awarded to a student from the wider Caribbean community.
